

# ST. JUDE WALK/RUN to End Childhood Cancer

Maya Collins  
Age 14  
Mason, OH

Join supporters in communities across the nation during Childhood Cancer Awareness Month for this family-friendly event that raises funds to support the lifesaving mission of St. Jude Children's Research Hospital®, where families never receive a bill for treatment, travel, housing or food — because all a family should worry about is helping their child live.

**St. Jude's mission is clear: *Finding cures. Saving children*®. Please register today and help make our mission possible.**

Maya Collins, a Mason resident, resided at St. Jude for 1 1/2 yrs. where she endured her 3rd bone marrow transplant. St. Jude is an amazing hospital. All of Maya's treatments, food and accommodations for her family were covered 100% by the hospital. Unfortunately Maya passed away on October 3, 2017 from complications of her treatments.
